DAR registration number: **DAP-ZE-4348.00**

Berlin, 2008-10-21

Univ.-Prof. Dr.-Ing. habil. K. Ziegler
Managing Director
DAP Deutsches Akkreditierungssystem
Prüfwesen GmbH

DAP German Accreditation System for Testing (hereinafter referred to as DAP), is signatory to the Multilateral Agreement for Certification Bodies, Products (MLA) of European co-operation for Accreditation (EA) and to the Multilateral Recognition Arrangement (MLA) of International Accreditation Forum (IAF).

For certification bodies for products, EA concluded further bilateral agreements for mutual recognition. The signatories to these agreements of the following countries mutually recognise their accreditations of certification bodies for products:

Argentina – Australia – Austria – Belgium – Brasil – Canada – People's Republic of China – Republic Coreia – Czech Republic – Denmark – Estonia – Finland – France – Germany – Great Britain – Greece – Hong Kong – Ireland – India – Indonesia – Japan – Italy – Latvia – Lithuania – Malaysia – Mexico – The Netherlands – New Zealand – Norway – Philippines – Poland – Portugal – Singapore – Slovakia – Slovenia – South Africa – Spain – Sweden – Switzerland – Chinese Taipei – Thailand – United Kingdom – USA.

The up-to-date status of membership can be retrieved from the respective website:

EA - <http://www.european-accreditation.org>

ILAC - <http://www.iaf.nu>

This accreditation has been awarded on the basis of an assessment and pursuant to the contract concluded with DAP with respect to the accreditation of a certification body for products in accordance with the rules and procedures of the German Accreditation System in conformity with the Standards DIN EN ISO/IEC 17011 and DIN EN 45011.

The requirements in terms of materials and personnel as specified in DIN EN 45011 for the specific technical scope of certification indicated in the accreditation certificate, as well as for the procedures described in the annex to the accreditation certificate, have been met.

Details of the scope of the accreditation (technical scope of certification, procedures and specifications) are given in the annex to this accreditation certificate.

The annex and the documents submitted in connection with the accreditation are deemed to form an integral part of it. Any amendments are to be made in writing.

The accreditation is awarded subject to revocation at any time due to the fundamental change or lapse of any conditions defined in the agreement and in the annex to this accreditation certificate.

Accreditation certificates and annexes are not to be disseminated in any form other than the present one. The publication of extracts is subject to approval by DAP.
